A Truly Devoted Northern Viking

The 1978 Noroscope Staff is dedicating the 50th Anniversary Noroscope to Mr. Gene Riccelli who has served Northern for forty years.

He was born in Eveleth, Minnesota and attended Eveleth Jr. College, followed by Stout Institute, earning his Bachelors of Science degree, and then to U of M. where he earned his master's degree. Mr. Riccelli and his wife, Phyllis, have two children, Julie and Rick, both of whom graduated from Northern.

When Mr. Riccelli first came to Northern, he was the industrial arts teacher and within a few years, became the faculty athletic manager and part-time counselor. He is presently a full-time counselor.

He has received awards from the Flint Youth Bureau and the Saginaw Valley Athletic Association for his dedication.

Here are a few feelings that should be expressed. Mr. Marvin Pryor, principal, feels, "When you think of the name Northern, you think of the name Riccelli." Mr. Edward Krupa added, "Northern will miss him and he will miss Northern, there's no doubt about it."

1. Mr. Riccelli in his younger years.

2. In 1947, Mr. Riccelli tried to create a new vegetable by combining carrots, lettuce, cauliflower, onions, and radishes from his greenhouse at the old Northern.

1. A recent picture of Mr. Riccelli concentrating on his work as a counselor at the new
2. Mr. Gene Riccelli in the late 60's, now at the old Northern, is busy with counseling duties.
3. Mr. Gene Riccelli has been on the staff longest and Mr. Bill Violette, an alumnus and teacher, along with Mr. Donald Gaultin, the former principal, and class representatives, prepare to break ground at the site where their present Northern stands.
4. Mr. Riccelli, participating in one of the first pep rallies at the new Northern.
5. Back at the old Northern, Mr. Riccelli takes time to look over some records of his students.

Vikings Still Enjoy The Voyage

The course of the fifty year Viking Voyage has been an exciting journey. Northerners have always been gifted with outstanding talents that they chose to put to use in and out of school.

But what do Vikings do outside the campus of NMS? Northern students participate in church-related activities, political campaigns, charity drives, and block club events. When in smaller groups, they may go shopping, bike-riding, lay around listening to the latest sounds or rapping on the phone.

Though the Viking ways have changed over the past fifty years, things are still basically the same. Instead of disc dances there were sock hops, and young ladies graduated from ankle busters to nylons.

People speak of the past as the "good ole days", but for Flint Northern Vikings of 1978 a realization has been made. The past can't be brought back, therefore, this year's aspiration was to make life something worth remembering. As the Viking ship continues its voyage, the landings made in '78 will never be forgotten.

1. On top of a mountain in South Dakota's badlands, Liz Sanochi stops to get a good view of the valley below.

2. Psychology can't be as hard as it sounds . . . at least Eric Stoddard doesn't seem to think so.

Student gain valuable experience from various jobs like Doris Dwyer who works as a secretary for the Nat. Academy

Band member James Powers, Loris Phillip and Victor Pentecost bring the old winter wind to help support the Viking football team

Marion Mixland and James McQueen have found a new way to keep warm many winters

On April 22, 1947 the Junior-Senior held a couples dance to raise money for their upcoming senior year. The host Mr. Lee and Mrs. Lee have just come inside from the rain.

Mr. Lee and Mrs. Lee stand model for a photograph at the dance. They get warm embraces from many friends at the Junior-Senior Dance.

Vikings Enjoy Life In Many Ways

It is a long time ago that the Vikings were first
seen in the waters of the North Atlantic.
They were the first to sail the seas of the North Atlantic.

Vikings Enjoy Numerous Things

1. Meeting one of Northern's earlier grads, Speed Offield, seems exciting to Jaron Epstein, the yearbook's index editor
2. Susana Blochman takes time from her job at the 'Grapevine' to give the camera a smile
3. Gary Poole decides to take a stroll through the hallways after class

Students Enjoy Leisure Time

- 1. Jan Jones takes time out of her busy schedule to take a nap.
- 2. Working at Wendy is not all hard work as Sheila Jenkins discovers.
- 3. Janet Catron discusses the Christmas spirit after decorating this lovely tree.

1. Terry Beltran and Kim Gusey at a standstill
2. Riding snowmobiles is great claims Cindy Bole
3. J.V. Cheerleaders L to R: Anita Galloway, Allyson Garrett, Pam Lane, and Gail Wells patronize a Northwestern basketball game

Viking Voyages Entail Adventures

1. Better known as Dutch Treat Linda Branta on Young Life's (Y) weekend laughs with glee at one of the many jokes told by Northern student.

2. Contentment that, when Chris Neubell and Margaret Whitler seem to have in common today.

3. Cindy and Tom Biele, along with their parents, visited The Tomb of the Unknown Soldier while on vacation in Washington D.C.

Northern Students' Enthusiasm

1. The new Northern, which opened in 1971, stands peacefully and sturdy while its classrooms buzz with the activities of learning. From the front parking lot, it looks as if everyone is in luck.

2. What a better way to spend a summer day than at the beach soaking up the summer sun. Gwen Brewer tries to hide behind her frisbee, but fails as the camera proves to be quicker than the hand.

At Its Best

1. Many of Northern Students display their enthusiasm by supporting various activities. One of the biggest activities is football. At a recent game a group of students show their support by claiming the Mighty Vikings as number one.

The Grand Canyon - a beautiful sight! Seen through the magnified lens of Kathy Wu-ho and her father, it looks many more times as beauty.

• Style - what Iwan Taylor will feel as he runs down the street in this beautiful Valley (?)

1. On a summer day these Northern students decided to spend it at the beach
2. Robert Putman decides to have his fun by burying his friend Lee Gordon in sand. Looks like fun doesn't it?

Many days prove to be very good for sightseeing as Joan Austin and Lee Gordon have found out.

3. Taking a rest after a hard day of mountain climbing are Kathy Rich and Julie Hill. Aren't they?

Youths Find Ways For Enjoyment

1. Northern students are enjoying the time together with their friends.
2. Tony Reno is at the bench with his friends of the Castaway Club.

Students Take Time From Busy Schedules To Do Their "Thing"

1 Kennedy goes to school by many tourists the summer including the Poles family
2 Candy Metcalf "Guns and Boats II"

1. The scenery at Botanical Gardens in Washington, goes so nicely with the bright
 for the first
 2. Revival of Soul Band does its thing at the Junior Couples Dance

Young Life a student group has sponsored many weekend trips. Steve Nelson, Margaret Hammett Nelson, Cunningham, Christine, Hugh, Steve, Susan and other students gather at Howard Johnson before leaving on Young Life's K western. There is nothing like a new shining white Stingray and it is obvious that Candy McCall agrees.

The Vikings Continue Their Voyage

The summer students have traveled all over the U.S. including the Museum of Natural History in Washington D.C.

2 Phil Nelson pauses for a minute to think maybe about all the miles he has traveled on Young Life's bike trip to Frontier Ranch in Colorado.

3 On their way to the Junior Couples Dance a money raising program for the senior class of 1970, Jeff Woodward and his date Davis Bryant pause in the hall.

1. Daryl Bare and Brian Justin relax after their first tough day at Northern High School.
2. Sandi Roach shows off her photography talents by snapping this lovely shot while on vacation last summer.
3. Sue Short seems to be enjoying her extended spring vacation as she clutches the fence.

Northern Vikings at Work and Play

The Pop Club and cheerleader seem to add pop to one of the team pep rallies.
 Doug Stewart gives his best before the half time rush.
 Henry is a man in a lot of fun to see Clark display goals.

Mr. William Adams, the team's coach, said that the season was very rewarding and that the standouts were over present. Randall Churchill led the team in hitting with a .400 plus average throughout the season. Other top hitters were Ted Faria .373, Bob Wyfie .345, and Vince Pastus .333.

The team went as far as the semi-finals in the Greater Flint Regionals by knocking out a strong Carman team.

The 1978 season should prove another great year with juniors Jeff Kahn, Matt Lane, Rich Vargas, Bob Wylie, Bill Jentzen, Leo and Leon Bell, Bob Howlett, and Tim Pondall in the starting rotation all Valley-Randall Churchill, Ted Jarvis, and Matt Lane

Jim Mick swings hard to bat in another home run for Northern.

J. V. Team Shows Strength And Determination

The 1977 J. V. Baseball squad was in a building process with first year coach Helmut Petrich. Mr. Petrich should well be satisfied in his debut with an 11-13 record as he really picked the game up quick.

Tom Schaenzer led the team slugging-wise with a whopping .457 batting average closely followed by another great hitter Leon Bell. Lee Gordon had the team's lowest earned run average and Jim Mich had the most wins.

Four outstanding players were moved up to Varsity to see some action late in the year. They were Leon Bell, Tom Schaenzer, Jim Mich, and Henry Harris.

The results of the season reveal visions of victories for the 1978 Varsity team which will pick up many of the 1977 J. V. players.

Mr. Petrich saw this season as one to really prove his worth as a coach on the J. V. level. The success he promoted this season may inspire him to continue coaching J. V. Baseball, and the team should continue to prove successful as a result.

Concentration and deep thought about his next move is apparent as Leon Bell readies to hit the next pitch.

Eighth Time; State Champions

"Yeah, we took state Vikings '78!"

A dream came true for the Flint Northern High School basketball team of 1978. The Varsity Viking team finished an unforgettable season with these accomplishments:

16-3 win-loss record

1st place tie for city

1st place valley

District champions

Regional champions

and for the 8th time in the 50-year history of the school, 1st place State Champions of Michigan High School Basketball

Along with the state win over a strong Pontiac Central, they had big victories over Lansing Everett, Flint Northwestern and Flint Southwestern

The leading scorers for this #1 team were Gary Pool and Craig Tuckor. They, and Curtis Carroll were the tri-captains

Mr. Bill Trachten was the proud coach of this year's winners.

During the 50th anniversary year, this no. 1 team worked hard and united in holding the no. 1 Flint Northern Viking banner

J. V. Basketball Shows Good Form

Mr. Reginald Manville was the coach of one of the finest junior varsity basketball teams in the state of Michigan. The players were from Flint Northern High School.

Even though there were many sophomores on the team, they finished the 1977-78 season with a 12-7 win-loss record. The team of 6 juniors and 9 sophomores lost several games in the last few seconds.

Wesley Love, junior, was the team's leader in rebounds. James Preston and Kermitt Pitts played very well as sophomores.

With the younger team members gaining experience the team should
 great determination and desire to grasp the Viking victories.

Varsity basketball coach, Mr. Bill Froeshen, observed the team in action commented that the, "Prospects look good for next year's Varsity."

In their 50th anniversary year, this no. 1 junior varsity team worked hard at keeping up with the no. 1 Flint Northern Viking status. They put forth as much effort as any team that ever set foot aboard the glorious Viking ship.

Flint Northern's girls' varsity basketball team displayed its mark of excellence as they wrapped up the 1977-78 season with a win-loss record of 12-4.

To accompany the team accomplishments there were also some very outstanding individual records made. Sophomore Paula McGee was nominated by the Detroit Free Press for honorable mention on the All State team. She was also selected as one of 5 players, (and the only sophomore to do so) to be on the 1st team in the Valley. Her twin sister Pamela, along with Kimberly Jett, Joann Luthon, and Joann Creamer received All Valley honorable mention.

The coach, Mrs. Dorothy Kukulka, better known as Mrs. "K", has been the coach since girls began playing intramurally in 1973.

In the past 5 years that there's been a team they have set some tremendous records, but this year marked the most records with the highest total game points, at 99; the most number of people in double figures, at 6; and longest seasonal winning streak of 10 games.

Paula McGee glides through Saginaw's defense in an attempt for two points.

Girls' J.V. Team "Too Hot To Handle"!

Northern's girls' jr. varsity basketball team proved themselves to be "too hot to handle", as they finished an incredible season with an outstanding record of 14-1.

The coach for the 1977-78 team was Mr. Nate Jones. He stated that their goals at the beginning of the season were:

- 1.) to combine individual skills and talents together to form an overall team movement into one smooth working unit
2. to win the city title, and
3. to win the Saginaw Valley title.

Mr. Jones proudly affirmed that the 4 juniors and 7 sophomores attained their goal as they captivated the city and valley titles with an excellent display of no. 1 teamwork.

Mr. Jones also commented that the J.V. team for 1978-79 looks very promising. The Varsity Girls' Basketball team for next year also looks to be a definite success with some of these outstanding J.V. players joining the team. They are one more reason the Vikings hold their heads up in pride.

Jan Blahley tips the ball while Valerie Thurman stands behind to be of assistance in the play.

Viking Harriers Are 1st In City And Valley Meets

Northern Cross Country runners closed another season with the Viking pride of being no. 1.

Senior Bryan Dent was the Captain of the 1977 squad of 1 senior, 3 juniors, and 1 sophomore. He was also no. 4 runner.

Tom Cady, who was the only sophomore on the team, was also no. 4 runner and broke the sophomore record at Mott Park.

The record for this year was 4-2. The Cross Country Vikings also took the City, The Eisenhower Invitational and the Valley 1st place titles.

At the Awards Banquet, Bryan Dent received the "Captain's Award", Junior Carl Jarvey received the "Most Improved Award", the "Most Valuable Runner Award", and was elected Captain for the 1978-79 squad.

The 1978-79 season looks extremely promising with the first four place runners returning. They are no. 1 Carl Jarvey, no. 2 Montanto Love, no. 3 Dan Fowler, no. 4 Tom Cady. Mark Woodbeck will also be returning next year.

Thanks goes to Cross Country for maintaining the image of the No. 1 Northern Vikings.

J. V. Cross Country Places 2nd In City

That Northern junior varsity cross country runners finished their 1977-78 season with a 3-1 record. Varsity cross country coach Norbert Budar was also the j.v. coach.

The schedule this year was relatively short, but very successful. They captured the 2nd place City Title and ranked no. 4 in the Eisenhower Invitational.

The six runners for this year were Jeff Dent, Doug Gauthier, Michael Gavigan, Edward Hamlett, Duane Hovel, and Daryl Wright, with one j.v. runner making varsity time.

These fine young men make the 1978-79 varsity season look very promising.

Jimmy Thomas, one of Northern's youngest cross country runners, runs for the seniors in leads the race. Following him are sophomores Mike Gavigan and Doug Gauthier.

Nine Players Receive All Valley Honors

The varsity viking football team, guided by Coach Randy Johnson finished an improved season with a 4-5 record.

This year's captains were Eugene Maruo, Michael Miller, Bob Howlett, and Lynn Miller.

Out of a team of 32 players, 7 took All City-Eugene Maruo, Bob Howlett, Michael Miller, Lynn Miller, Craig Tucker, Chris Thompson and Tony Curnow. Four of these same young men also ranked All Valley-Eugene Maruo, Bob Howlett, Craig Tucker and Chris Thompson. Five players received honorable mention-Steve Barnett, Tony Curnow, Fred Garrett, Jim Pondell and Lynn Miller.

Over the 50 years existence, the football team has played the traditional "Turkey Day Game" against Flint Central, but the rivalry ended in its 49th year.

There will be nine outstanding returning lettermen for next season. More power to the Varsity Football players of 1978-79 as their outlook is one that is sure to keep Flint Northern Vikings rated No. 1.

J. V. Team Has Impressive Season

Coach Gordon Brown's goal at the beginning of the junior varsity football season was to "prepare the athletes for varsity competition."

He feels that he accomplished his goal as he encouraged his team of 30 sophomores and 8 juniors to continually better themselves for future opposition.

The Junior Vikes had a fairly successful season as they proved their capabilities with a 4-5 record.

There are no City, Valley, and State Championship Competitions or ratings for Junior Varsity Football. They also don't have captains. No one who goes out for the team is cut since the coaches want everyone to get the training. They go through the same training as the varsity team, therefore they have some experience before they become varsity players.

The 1977-78 season was Mr. Brown's 2nd year as head coach for j.v. football. He was assisted by Mr. Dennis Geraca. Together they drilled into the minds of the Junior Vikes the pride in being the No. 1 rated school anywhere.

Viking Golfers Are City Champs

The 1977-78 Golf team had an outstanding season as they finished with a 3-0-1 record. Their aspiration at the beginning of the year was to win the Saginaw Valley Championship and they met their goal by defeating a favored Pontiac Central.

John Carlson and Mark Taylor ranked All Valley golfers.

The team of 2 seniors and 3 juniors with Coach Jerry Fowler grasped the City Championship title for the first time since 1961. They did so by winning the first hole of a sudden-death play-off over Flint Southwestern. During this city meet Steve Southwell broke Northern's 1975 record.

First year coach Jerry Fowler is the 14th Golf coach in the 50 year history of Northern. According to Mr. Fowler the 1978-79 season looks very promising. There are 3 players returning next season. They are John and Paul Carlson and Mark Taylor.

The Viking golfers did a fantastic job and they are to be commended for their contribution in maintaining the proud Spirit of the no. 1 Flint Northern Vikings.

J. V. Golfers Strive For The Best

Junior Varsity Golf, as such, isn't an authorized sport, as to paid coaching or a budget to carry out the program. Therefore no official schedule is played. However, as custom, the Varsity coach usually takes the job and sets up a schedule.

This season Northern had an all new team-not one had any high school experience. "To 'look to the future' I interchanged some J. V. golfers into Varsity matches to give them experience," says Mr. Fowler.

As such, the J. V. schedule was short this year. They ended with a 2-3 win-loss record. The J. V. Golfers played Southwestern twice, Northwestern twice and Ainsworth twice. They ranked no. 10 in the Cassia County Junior Varsity Golf Invitation.

Varsity Golf Coach Jerry Fowler also held the responsibility of being J. V. Coach. Being that some of the young men were given the opportunity to experience playing Varsity interchangeably, the 1978-79 should be extremely promising. Coach Fowler certainly hopes so as he awaits their return for Varsity Golf next fall.

1. J. V. golfer, Robby McKeon, shows off his "expert" style. He's forgotten one in particular though he's a golf club.

2. The picture is really on Jeff Stewich, Kelly Litchfield and Chad Mares. They were to collect themselves before an important tournament.

1. The J.V. Golfers worked hard in '77 to earn a 10th place in the Genesee J.V. Golf Tournament. The J.V. Golfers are Bill Probaszki, Robby McKoneto, Elliot Marx, Robert Rindran, Jeff Scarsch and Mike Badar (not pictured)

Viking Skaters Have Great Future

While in the 2nd year of an expected 3-year rebuilding program, Northern's skating hockey team improved its record from the 1976-77 season. In 1977-78 they moved up 3 places in the league standings while compiling a 5-18-2 record. Flint Northern also finished 2nd in the city

The team was led both on and off the ice by captain Bob Wylie, who was the team's point leader and also made the state's no. 1 All Star team. Bob was helped greatly by alternate captains, Jim Pondell and Dennis Conway. Each of them, along with graduating seniors Andy Jurich and Mark Tibbets will be greatly missed.

Returning juniors Paul Racette, Bruce Hylon, Mark Taylor, Chuck Bodnarski and Ernie Salinas are expected to make up for this loss. With 2-year experienced forward Daryl Barr, Pat Crossley, Bill Piotrowski, Dennis Sauvage and Doug Basilus, along with defenseman John Cross and Rob McKenzie, and last line of defense goalie Jim Wylie, the team expects continued progress and a higher finish in the league standings.

Captain Bob Wylie practices the true meaning of team spirit as he watches the youngsters practice on the ice. From left, Mark Taylor and Central goalie Andy Smith.

Softball Team Displays Unity

Though the 1977 Softball Team didn't have an outstanding win-loss record, they pulled together to display their best. The team's Captains were Seniors Donna Phillips and Rosalind Williams.

Jackie Johnson won the team's "Most Valuable Player Award." Her most valuable asset was her versatility as a player-catcher, infielder and outfielder. She was also a 3rd year Varsity Player.

Joanna Creamer was chosen All-Valley, 2nd team catcher and received the team's "Most Improved Player Award." She had the team's highest batting average .354 as well as the most R.B.I.'s for the team. Joanna along with Tamara McKone and Lena Horne will be returning in 1978.

The 1977 school year was the 4th year for inter-scholastic softball in Flint. The Vikes tied for the City title with Central in 1976. Though they failed to take City again as they aspired, Mr. Kujala asserted that the 9 sophomores returning should be a tremendous asset for the team during the 1978 season.

Viking Swimmers Have A Good Year

Their goals were many, but one of the main ones was the individual performances improvement. Who were they? The 1977-78 Vint Northern Boys' Swim team.

With outstanding returns: Scott Price, Scott Thurston, Brian Scieszka and Marty Price they managed to finish with a win-loss record of 10-1.

Brian Scieszka broke 2 records this season. The record time for the 100 Yard Freestyle now stands at 2:14.5, and the new record time for the 500 freestyle at 5:22.6.

Scott Price maintained a No. 1 ranking in Diving at the City meet through out his three years at Northern.

The coach for the 77-78 season was Mr. Scott Soth. He asserted that the 1978-79 season looks promising, with many outstanding swimmers returning. Included are Brian Scieszka swimming the 200 Yd., the 500 Free, and the 400 Free Relay, Marty Price in the 100 Fly, 100 Back, and the 200 Medley Relay, and Sue Cook swimming the 200 Free, 500 Free, and the 400 Free Relay.

This year's team was part of the tribute to the 50-year Viking voyage roster as they maintained the No. 1 Viking image.

Inexperienced Team Sets Goals For Year

Kathy Mucha went up for the year that is just about to begin as Northern's team. She is out there by South Lake. It looks as though she gave the race everything she had.

Though the 1977-78 girls' swim team did not have an outstanding win-loss record they did well for a new team. Coach Tom Rodgers asserted their goals to be to present a positive competitive swimming experience for Northern girls, teach competitive swimming to new swim team members and expand and improve the girl's swim program.

Girls' swimming has been in existence here at Northern since 1975. This year's team was composed of 2 juniors and 6 sophomores, with only one senior, Kathy Mucha was a 3-year veteran.

The captain of the squad was Kathy Mucha, and the manager was junior Kathy Kelly. Kathy Mucha was also named, "Most Valuable Swimmer", and qualified in the city along with Lori Cranio. Anne Badar was elected "Most Improved Swimmer", and was elected co-captain for 1978 with Sue Cook and Kim Wishart.

The 1978-79 season looks promising with returners, Sue Cook-freestyler and butterflyer, Lori Cranio-freestyler and back stroker, and Teresa Wallace-freestyler.

Tennis Team Takes First In Valley

The boys' tennis team that represented Northern last year finished their season with an incredible 9-5 win-loss record. They began the season with the aspiration of becoming City, Valley, and Regional Champions and moving on for participation in the State finals.

Urged by Coach Randy Thompson, they placed 1st in the Valley Championship. They also placed 2nd in the City tournament and 5th in the Regionals.

Outstanding Scott Thurston and Marty Price were the only returning lettermen and they ranked no. 1 doubles team. They returned in 1978 to battle it out for the number 1 or 2 singles spots.

Mr. Thompson is the 6th coach for boys' tennis in Northern's history. He seems fairly optimistic as he foresees the outcome of the 78-79 season. He commented that it would be a rebuilding year. But he's very convinced that they have a good chance of winning the Valley West Championship. Congratulations and thanks to the Boy's Tennis team for another no.1 rank

1. It could be game, but Matt Cusack keeps his cool as he waits for the ball

The 1977 Junior Varsity Boys' Tennis team had a super season with a swinging good record of 5-2-1.

The main goal Coach Randy Thompson held for the team was to teach them the fundamental skills of tennis as well as tennis strategy. Also, this gave the J.V. players competitive court experience. With several good practices and matches with opposing J.V. teams, they reached their goal.

The team each year, as in 1978, goes through a rebuilding process preparing the boys' for Varsity competition. The coach starts out with a fresh new team hoping to improve with each match.

Coach Thompson indicated that everybody improved his game over the spring and summer months.

Most of the guys on the team were elevated to Varsity level for the spring season of 1978. Leading was Bruce Nylon, Scott Price, and Rob Mc Kenzie.

As the Viking ship sailed on through its 70th anniversary year these boys helped promote the image of the #1 Vikings!

Northern's Girls' Tennis team really swung into an outstanding season this year. They ended with a 7-6 win-loss record. The female netters, guided by Coach Randy Thompson, started the year with 3 goals in view: 1) to be City Champions, 2) to be Valley Champions, and 3) to finish 1st or 2nd in the regionals, thus advancing to the State final. They had tremendous success as they progressed by becoming City Champions, placing 2nd in the Saginaw Valley, and taking 4th place in the regionals.

No. 2 singles, Linda Mitchell and no. 4 singles, Jacquie Gorton were city flight winners, and all 3 doubles teams also ranked All City. The no. 3 doubles team also made it to the regional tournament.

Coach Randy Thompson is the first girl's tennis coach for Northern. It was instituted as a competitive sport in 1975.

Of the 3 seniors, 3 juniors, and 6 sophomores, Coach Thompson hopefully awaits the return of 9 of the 12 for the 1978-79 season. Congratulations Girls' Tennis for giving the Vikings another no. 1 rating.

Boys' Track Team Has Record Making Season

Congratulations are in order for the 1977 boys' track team who had an overwhelming season. Head Coach Herb Badar and assistant Gordon Brown prompted these fine young men to be the captivators of the City Title.

They were led by one of the fastest runners in the State of Michigan, Michael Miller, who has been breaking records since his days in junior high. His most astonishing record this season was for the 440 yard run with a new record time of 48.0, also taking a first in the 220 yard dash.

Other Vikings who rated no. 1 in the City Championship fight were Chris Thompson - Shot Put, Donald Hart - High Jump, Dan Fowler - 2 mile run, and the groups of Mike Miller, Dan Green, James Bennett, and Herb McGowan who took first in the 880 relay and Dan Bingham, Randy Anderson, James Bennett and Dan Green who took first in the 440 yard relay. Northern finished in 1st place with an overall 85-1/2 points.

The 1978 season is sure to be a success, as it will have many returning men.

Track Team Proves It's Fun To Run

Northern's Girl's Track Team for 1977 had a fairly good season as Coach Scott Soth led in urging them to keep the pace.

The team, whose slogan was "It's fun to run!" were involved in running various yard and relay events, jumping hurdles, and throwing the shot puts and discs.

Coach Soth began the season with 3 goals in mind. 1) to improve the 1977 records, 2) to have everyone return and improve their times and 3) to get all girls out that could do well and help the team.

Several outstanding girls returned from the 1976 season. They were Kay Wiggall, Evelyn Johnson, Sherri Bryant, Lynn Brown, Lisa Ivory, Shari Haywood, and Doris Coles. The team was composed of 11 juniors and 10 sophomores with Sandra Young taking All City.

Mr. Soth, who was the 1977 coach is giving up his position to Mr. Seymour and Mr. Dedeich. They will be coaching the 1978 team which has the promising outlook of keeping up the no.1 Viking trend.

Christy Hemmert gets a hot position to test her skill in throwing the shot put.

They set their goals at the peak of the Viking "V" as they determined to culminate their 1977-78 season with city, valley, and state championship titles and the ultimate of any team's desires—an undefeated season. They were none other than the Flint Northern Girls' varsity volleyball squad.

With outstanding player Joann Creamer, Joyce Surace, Theresa McGee, Anthony Helata, Johnnie Creamer, Sullivan and Hope Harris returning from the 1976-77 squad, they closed out their '78 season in no Viking style.

Mrs. Margaret Johnson was the coach of this year's team. She stated that the outlook for Volleyball 78-79 at Northern looks promising with Theresa, Anthony, Pamela and Paula McGee and Lisa Harris returning to the court.

The team, which was comprised of 8 seniors, 1 junior and 1 sophomore, displayed the action of females in sports as they helped celebrate Northern's 20 year anniversary by keeping their banner reading the Viking rank of "no. 1".

Ann Tami was the first to bump the ball on this play, against Pontiac Central.

J. V. Team Accomplishes Its Goals

Northern's junior varsity volleyball squad played well as they finished their season with a 10-5 winning record.

Their goals were to win the city and valley championship titles, to win all their games and to improve individually as a person and in athletic ability.

The team of 12 juniors and 10 sophomores displayed tremendous team cooperation as they strove to accomplish their goals.

The captains for the 1988-89 squad were Evelyn Hamlett and Ken Turri. They led the team in grasping the 2nd place city championship title and the coveted 1st place Northern Valley West Division title. The other starters were Tangelu Hudson, Jacques Gortie, Tya Hall and Sarah Knighton.

This year's coach was Mr. Kenny Johnson. Although he coaches the present team on to the Varsity level for the 1989-90 season, he still feels that the Junior Varsity squad for next year looks promising.

The J. V. volleyball team played its part in keeping up with the school spirit as Northern celebrated its 50-year anniversary.

Tya Hall set the ball up to the net as Tangelu Hudson watches. Sarah Knighton is setting the ball up as Sarah Knighton hurries to set the ball to one of the spikers.

Wrestlers Put Forth Best Effort

The Varsity Viking Wrestlers held 3 goals in mind as they commenced the 1977-78 season. These were 1) to have a full team at every weight class, 2) to place reasonably well in the tournaments, and 3) to develop a group of sophomores and juniors for next year's team.

The squad which consisted of 5 seniors, 5 juniors and 6 sophomores was felt to have accomplished their goal as they placed no. 1 in the Northern first year invitational and tied in the Northwest Invitational.

The co-captains for this year were seniors Barry Greene and Daryl Dilworth. Greene and Greg Vent ranked both all city and all Valt wrestlers.

The coach for this year's squad was Mr. Tom Bentley. He advised and worked with the boys in training them for the wrestling competitions. He feels that the 1978-79 season should also be a success.

As Northern celebrated its 50th anniversary, the Varsity wrestlers did their share in keeping up with the trend of the Vikings, that is bring home 1st!

Wrestlers Wrap Up Their Opponents

Northern's Junior Varsity Wrestlers, being a young inexperienced team set their goals at improving every time they wrestled trying at as many matches as possible for the sake of experience. The purpose of the J.V. wrestling team was to be a stepping stone for the Varsity team.

The record for these 1977-78 wrestlers was 3-2, with a tremendous 59-0 victory over Saginaw. In the team tournaments they also did very well taking a 1st in the sophomore invitational, a 2nd in the Scarlet and Gray invitational and 6th in the Montrose invitational.

The coach of this very fine J.V. squad was Mr. George Dridrich. He aided the boys in training and counseling them for the wrestling matches.

This struggling Junior Varsity Viking team helped uphold the no. 1 Viking status. As the Viking ship rolls on these young men will perhaps forever remember their Junior Varsity wrestling experiences in the 50th anniversary year of Flint Northern Community High School.

The senior class theme described it all, "These precious moments." For the past 3 years they worked to see June 16, 1978 when the end of the beginning would be converted to the commencing of another phase of life.

Their last year in high school was as exciting as could be expected. They hosted a Gong Show, based on the network's production. This and various sales during the 77-78 school year helped provide the necessary funds for the senior activities.

The activities included a dinner on May 12, the prom on June 2, Honors Convocation on June 8, the annual city-wide Baccalaureate June 11, and the Commencement Exercises held June 16.

The seniors were polled on their choices and suggestions for class colors, theme, motto, and song. The results were Colors-Red and Gold, Theme-These Precious Moments, Song-Everything Must Change, and motto "One Step at a Time, But Always Forward."

The sponsors for this 50th class were Miss Dorothy Strudford and Mr. William McLean.

Activities

Marching Band Helps Inspire Vikings

Mr. Ronald Shoup accomplished the goal he set out with as the 1977-78 Flint Northern bands went into action. He aspired to give the students a well rounded education in music. There were 3 bands at NMS this year-Marching Band, Ensemble and Jazz.

The bands were prompted by Mr. Shoup in one of their biggest concerts ever, the prominent Maynard Ferguson and his band.

Northern's marching band was considered to be one of the best in the state of Michigan. They played for all home football games, pep rallies and marching band competitions. In the last 3 years, they have not come home with anything less than 3rd place ratings.

The Wind Ensemble played 4 concerts, participated in the band festival and played for graduation. The Wind Ensemble is also considered one of the best in the area.

Jazz Ensemble played 3 concerts. They also played for civic events and other school activities.

Here are 3 more reasons why students enjoyed the 50-year Viking voyage.

1. Flag girl Margaret Lockton helps lead the Band Marching in their half time show.

Dean Myer from Channel leads the Marching Band in the traditional pre-game song "The Star Spangled Banner."

The following is a list of the names of the persons who have been
 named in the above list of names. The names are given in the order
 in which they were named. The names are given in the order in which they were named.

 their teachers. They are all very happy and are all very busy at work. The first of the new
 school year is a very busy time for all of us. The children are all very happy and are all very busy at work.

Choir Voices Ring Throughout The Year

Mr. Helmut Petrich endeavored to teach the 1977-78 choir and ensemble members the joy and varied types of musical culture.

The choir began their season with the aspirations of becoming as proficient as possible and culminating in their 11th consecutive superior rating at the annual festival. They had several fund raisers this past year, selling stickers, poetry and household cleaners.

The officers were president Regina Pitts, vice-president Hettie Whitson, secretary Joan Ann Davis, historian Margaret Hemmert and treasurer Dale Williams and Sandra Knack.

The title of the choir was invited to audition for Northern's ensemble. It was one of the school's most proficient in music in special events. Their goal was but one: performance excellence.

There has been a choir around since the school began 50 years ago. The ensemble was started by Mr. Petrich 10 years ago. These groups helped provide entertainment for the "Voyages of the Vikings."

Viking Spirit Displayed In Many Ways

1 (Left to Right) Sonya Willoughby, Debbie Robertson, Lela Hudson, Stephanie Kahl, and Lewistown Andrews display their talents in dancing

2 The Vikingettes display one of the dance routines they used during the year

Flint Northern Vikingettes were the dancers seen performing at the athletic events. They were out promoting school spirit.

They were the first school group of its kind in the Flint area. The other Flint schools often came to Northern to see what these agile ladies were up to.

The sponsor for the 1977-78 Vikingettes Mrs. Lela Sanders, was in her first year as such, but worked with captain Lewistown (Tina) Andrews in making it successful.

The 3-year old Viking Pep club began the year with these goals in view-to have pep assemblies for many sports in the building, to decorate for the football and basketball banquets and to make posters to display Viking pride and confidence in their teams' abilities in all sports.

The sponsor for this year's Pep Club was Mrs. Carolyn Jackson. She worked with the club in their efforts for spirit.

Both the Vikingettes and the Pep club helped liven up entertainment for the Vikings. These clubs were an asset for 30th Anniversary year.

Student Council Is Hard At Work

1. Four of the student council members were seen at the meeting. Left to right: Kim Simpson, Monna Stiff, Alena Echols, and Susan Thompson. 2. All the members of the Northern student council got ready for the meeting to begin.

The purpose of the student government is to better student-faculty relations. This is what Northern's student government purposed to keep in mind as they strive to represent the needs of the student body.

Kimberly Simpson was aided by vice-president Vanessa Nelson, secretary Monna Stiff and treasurer Alena Echols as she attempted to execute the responsibilities of the student body president.

The students in the government were elected by the student body. The requirements of the members included commitments to the student council and cooperation in the organization's work and efforts.

Mr. Frank Miller was the sponsor for the 1977-78 governmental body. His duty was to assist and advise the student organization.

The student governmental organization has been in existence at Northern since the school opened back in 1929. Each year new officers and representatives are elected to act as mediators between the student body and the staff. They have been the voice of the students throughout the 50-year history.

Foreign Language Clubs Sponsor Activities

There were 3 Foreign Language Clubs at Northern this year. They were French, German and Spanish.

The French Club was in its 14th year at N.H.S. The sponsor, Mrs. Odessa Jackson, was also its founder back in 1963. They purposed to promote good relationships among students, parents and teachers. They raised funds to help students travel to France or another French-speaking country.

Mr. Keith Johnston was the German club sponsor. He assisted them in fulfilling their goals of having a luncheon, their annual banquet at Frankenmuth and cultural projects within the German classes.

Spanish club sought to improve their abilities in spoken Spanish and to increase an appreciation of Spanish culture. With the aid of their sponsor, Mrs. Dolores Zale, they sold caramel apples in the fall to raise money for a taco party and formal dinner held at the end of the 1977-78 school year.

These clubs and their sponsors helped make the Viking voyage pleasurable experience this year.

1. Janella Lambert and Heta Schulz help themselves to many of the Spanish meals served at the Spanish Club Christmas Dinner.

2. The attention of the Spanish club members seem to be on something important, perhaps a pinata.

Student Actively Involved With BOEC

The Business Office Education Clubs (BOEC) is a state of Michigan high school career education organization designed for students with a career objective in office occupations. Northern's BOEC club was in its 3rd year with the 1977-78 season. It was sponsored by Mrs. Mary Miller and co-sponsored by Mr. G. Perry. Northern's was the only club in the city of Flint.

Some of their main purposes were to motivate and vitalize the instruction of business education; to help and strengthen the confidence of young people in themselves and their work; and to assist the students in refining their career objectives through realistic training.

The 1977-78 officers were, president Michelle Williams, vice-president L. J. Jones, secretary Gail Wuthins, treasurer Angel Thomas, and parliamentarian Jill Sanford.

Though they'd only been around for 3 years, Northern's BOEC motto, "To build skills today for tomorrow", sufficed to warrant their right to be remembered as a part of the crew in the 50-year voyage.

Members of Northern's BOEC club pose with Michelle Williams, president, L. J. Jones, vice-president, Gail Wuthins, secretary, Angel Thomas, treasurer, and Jill Sanford, parliamentarian. Also present are Mrs. Mary Miller, sponsor, and Mr. G. Perry, co-sponsor.

Literary Club Publishes Aurora Borealis

The North Star Literary Club is a group of students who are interested in the study of literature and who are also interested in the publication of a literary magazine. One of their aims is to give interested students an opportunity to better their creative writing skill.

The main function of the club is meeting to discuss matters of literary light and to read and praise of each other's work. The members of the club for publication in the Northern Literary magazine, the Aurora Borealis. The only requirement for membership is to have an interest in creative writing.

The members of the Literary Club gave many of the Viking staff and students a chance at writing with their fund raiser for the year Christmas program. In these, a student or teacher could write a message to be sent to another student or teacher after which a card would be attached and the cardygram in its entirety sent to the receiver.

The people for the club this year were Mrs. Sally Elmeyer and Miss Betty Huerfano.

1. Members of the Literary Club took over the Viking staff and students a chance at writing with their fund raiser for the year Christmas program.
2. The Literary Club members, Betty Huerfano, Stan Huerfano, Lynn Huerfano, and Betty Huerfano.

1. Members of Northern's National Honor Society. Back row (l-r): Mully, Mumforth, Joann Crommer, Tom Saxton, Chris Thompson, and Julie M. Keaster. Second row: Debbie Whitely, Lisa Ivory, Efram Channell, Joann Schultze, and Linda Banta. Front row: Deanna Rose, Gwen Brewer, Cathy Lambert, and Patricia Kelley.

The National Honor Society is an organization for high school students throughout the United States. To have been accepted as a member, a student must have had high academic achievement and a high degree of participation in school activities.

Mont Northern's branch of the National Honor Society for 1977-78 purposed to give service to the school and community and recognition of students' scholarship and involvement in school activities.

They sold football mums for the annual football game against Flint Central High. They also sold tote bags and class pins.

Mrs. Carole Ann was the sponsor for this year's group. She met with them the first Tuesday of each month to discuss plans of upcoming projects.

The officers for the 1977-78 club were president: Tim Pondell, vice-president Dave DeGraaf, secretary Joann Crommer and treasurer: Gwen Brewer.

The National Honor Society's existence at N.H.S. proved that the 50-year Viking voyage has been a success.

Officers for Northern's National Honor Society: Gwen Brown, treasurer; Jen
Pendall, president; and Jenna Cramer, secretary. Missing is Dana DeGraaf, vice-
president.

The North Wind Strives For Perfection

The 1977-78 Newspaper staff worked hard to produce a monthly copy of Northern's newspaper, "The North Wind." The students aimed to produce good papers appealing to student interest, in addition to executing the best journalistic style.

The reporters gathered the latest news and wrote the stories. Then the edited stories were given headlines and sent to the copy editors. From there they advanced to the layout editors. The newspaper carried ads solicited and designed by the students. The Vikes also had their own photographers who shot, developed and printed the photos.

The officers for the North Wind were
Editor-in-chief, Dan Ingram; Editor Kim Dailey,
Iron's Editors, Lisa Ivory and Lynn Austin,
copy Editors Kim Carpenter and Patrice Kelly,
Headline Editor Kim Dailey.

Layout Editors, Jerry Eastwood and Patrice Kelly.

Advisor Dorothy Stradford met daily with the staff aiding them in their work.

1. Kim Dailey, headline editor, explains how to set copy for The North Wind to Patrice Kelly and Kim Carpenter.

2. Quill and Scroll, an honorary journalistic society had two members, Dan Ingram editor of The North Wind and Debbie Wilson, editor of the Viewscope.

What work, work is it ever done? Not for these young struggling newspaper people featured: Evelyn Radgett, Kenneth Royden, John S. Sweeney and Jerry Eastwood.

The new paper is out. Jerry and Don Ingram catch up on a few last minute headlines.

John Sweeney, the advertising manager, has a talk with Lynn Austin and Sandy Dale during one of their few breaks.

Wrestlerettes; Asset To School Spirit

The Flint Northern Viking Wrestlerettes was a new group at Northern during the wrestling season. The members are (from left to right) Ruthann, Betty, Louise, Stephanie, Jean, Dorothy, and the group picture. Seated in front are Dorothy, Stephanie, Louise, Ruthann, and Susan. The sponsors are Mrs. Scottie Jar dy and Mrs. Sellinger.

The Flint Northern Viking Wrestlerettes was a new group at Northern this year. They were the girls out prompting and rooting the Wrestling squad on to victory. Their initial goal for the 1938-39 school year was to organize a group of interested young ladies to start the club. Their purpose was to support the wrestling team by helping to stimulate more student interest in it. The members of the club were required to be responsible young ladies, with at least a grade average of a "C", and also have an interest in wrestling as a sport.

Their main project was the organization of the club and preparing a luncheon for the wrestlers and coaches during the Northern Institutional Wrestling Meet.

Their sponsors were Mrs. Jeannie Sellinger and Mrs. Scottie Jar dy, who assisted in the organizing of this new squad.

As the Viking ship rolls on it's landing in the 35th anniversary year will proudly display the founding of another club-the Flint Northern Viking Wrestlerettes.

Skiers Slide Thru Another Year Of Fun

The Ski Club at Northern really drew a lot of attention from the students. They began the year in hopes of raising money to go on ski trips. They wanted a chance to ski at reduced costs. Thus the bake and candy sales broke forth!

The club met every Tuesday night at Mt Holly in Holly, Michigan to ski. They also had two very exciting projects. On the weekend of January 13-15 they could be found in the B. yne area staying at Camp Sea Gull. January 17-19 they headed for White Hall for their 2nd weekend ski trip of the 1977-78 season.

The Ski Club has been around at Northern for 12 years under the advisory of Mr. Gordon Brown. The President of this year's club was Scott Thurston and vice President was Anna Wynnburg.

Among the many activities and clubs on the roster in the Viking ship, the Ski Club was one of the most enjoyed. It was one of the reasons the students at Northern have enjoyed their voyage aboard the Viking ship.

Members of the Ski Club gather around the chair lift at B. yne Highland to see who is going to be the first down the hill that day. The scenery at B. yne Highland was great as the members of the Ski Club found their second trip.

Juniors See Need For Achievement

The 1978 junior class at Mt. Northern were busy this year after spending last year familiarizing themselves with high school procedures. The junior class for any high school student is one full of many decisions. It is then that they begin to ponder on the college and future questions.

Mt. Northern's juniors managed through all of this to find time for some activity. Under the leadership of president Stephen K. Kib, president Ronie Brown, secretary Kelly Simpson and treasurer Linda B. are they raised over \$1000.00 for their class. They did this by selling various items all year around and sponsoring a Jr. Couple dance as their main project.

The sponsors for the Jr. class were Mr. Mattie Hoon and Mr. K. Fred Black.

This class of 1979 now goes on to face the challenge of senior years. Though their senior year will not be as fun as their most exciting one high school, they'll not forget that last step up the ladder toward the taking step in their 50th anniversary year.

Sophomores Unwrap Hidden Talents

Sarah McGee
Class of 1978

The 1977-78 Flint Northern H.S. Sophomore class was 96 strong. Hailing from the several jr. high schools in the city, this was their first year in Viking country.

At the year's beginning there was an election held for the members of the sophomore class to choose the persons they wanted to hold the various offices available for sophomores. The election results were:
sophomore class President-Paula McGee
sophomore class VP-President Pamela McGee
sophomore class Secretary Sara Mattman
sophomore class Treasurer Shelle Gayden

Paula McGee
Class of 1978

The class agreed to raise at least \$100.00 this year. They reached this goal and far passed it with the main fund raiser being a fashion show.

In the next 2 years these students will be shared the Viking life. In those 2 years they will make many and decisions very vital to their remaining future. In 1980 they will disembark to attempt to meet the challenging world, but they should never forget that they were privileged to be aboard the 50th anniversary Viking voyage.

Voyages Of The Vikings

Creativity, An Important Part Of Art

Creativity was the name of the game in Flint Northern's Art Department. This was the goal of Mr. Nate Hendricks and Mrs. Patti Greene as they commenced the new year with fresh, eager new students.

The art course selection this year included such offerings as painting, drawing and sketching, and macramé. These classes attracted numerous students desiring to learn or improve their skills in the field of art. Some students involved in the art curriculum were given the chance to proudly display their work on parent visitation night at Northern.

Mr. Nate Hendricks was the department chairperson for 1977-78. He has been a teacher at Northern for 2 years and has held the position of chairperson since he arrived back in 1975. Neither he nor Mrs. Patti Greene, the other department member, are of the 50-year Viking Alumni.

Down through the years, Vikings have always exhibited great potential in the field of art, and the voyage through the 50th anniversary year was no exception.

1. Ronald Crowder displays some of the fine art work that is done in class.
2. Sandy Dule, Audrey Seals and Leontine Andrews find time to take a break from their hard work in Mrs. Patti Greene's art class.

Students Learn In Industrial Arts By Doing

Among the various courses Northern students elected from this past year were such specialized areas of study as Industrial Arts. This program was designated to introduce the students to the highly technical field of work in Graphic Arts and Automotive Mechanics. This goal was felt to be accomplished as the number of students involved in the program and quality of the work they did spoke for itself.

Graphic Arts was a special program including students from the other Flint High Schools. They also printed the newspapers for all 4 Flint High Schools.

The departmental chairperson was for Industrial Arts for 1977-78 was Mr. Tony Kasmovich. He has been a teacher at Northern for thirty years and his department's chairman for the past 10 years.

Of the five teachers on staff at Northern in Industrial Arts none of them graduated from Northern. But interestingly enough, auto mechanics instructor Rundy Johnson's father is a member of the 50-year old Flint Northern Alumni.

Students work hard to finish their project.

Students Show Interest In Business Classes

Business was booming at Flint Northern during the 1977-78 school year. The Business Department was busily at work as the 5 teachers in the department determined to teach students to successfully master the business skills to the most proficient degree possible at high school level. These skills were those of typing, shorthand, stenography, accounting, marketing and other office skills.

The students wishing further studies than those taught at Northern were urged to participate in either the Accounting specialty at Flint Northwestern or the Marketing specialty at Flint Southwestern. For more enjoyment there were 2 business clubs: BOEC, Business and Office Education Clubs and DECA, Distributive Education Clubs of America.

Mr. David Jacobs was the chairperson for the Business Department this year. He has been aboard the Viking crew for 8 years and Chairperson for 2 years. He and the other 4 teachers got down to the business of business each day.

Driver's Ed. Is Serious Business

When asked what were the goals of the Driver's Education Department for 1977-78, Mr. Gene Donney humorously replied, "I stay alive and up in spite of Northern student driving ability." But for one more year the instructors have managed to live through these attempts at teaching it.

Amusing it may be, but when the students in Driver's Education were in the classrooms or on the driving range they buckled up to serious business. They were taught how to operate an automobile and to do so carefully with the flow of traffic.

Driver's Ed. at Northern was taught in a series of 10 weeks over a two-semester period. Mr. Gene Donney — senior instructor — Mr. John Jensen and Mr. Frank Muzzo.

Most of the students were anxious to have driver's education as a part of their schedule. They were eager to most teenagers at the prospect of driving. Thus, just as the Viking has managed throughout the one-year voyage to steer the ship successfully, this year was no exception in turning out good Viking drivers.

Every student has had to take a written exam in Driver's Ed. It is a serious business, and the students are taking it very seriously. The students are taking it very seriously.

English Keeps Students Thinking

Courtesy of Mrs. Mary McQueen and Joe Kuntzke got a quick lesson in German as they read.

In addition to English, 3 foreign languages, French, German and Spanish were taught at Northern this year.

The English Department's teaching staff at Northern has quite a job the 1977-78 school year. Since most students who graduate must have English as a major, their hopes were to improve the course and work in order to provide a broad, practical, and effective background in the English skills.

Mrs. Mary McQueen was the English Department's chairperson. The Foreign Language Department chairperson was Mr. Keith Johnston, the German teacher. Mrs. Jorda Wilson instructed students in French, and Mrs. Dolores Zulo taught Spanish.

Students who wanted to pursue language skills were specially invited to participate in either and the English department in the Foreign Language specialties both taught at Flint Central High School.

Of 15 full and 5 part time teachers in the language department Mr. Bill Adams was the only one who was once a student at Northern.

Home Ec. Is A Challenging Course

Learning the principles of home economics was the challenge to the students enrolled in the program this year.

The Home Economics program at Northern aspired to reach 3 goals during the 1977-78 school year and they did, namely, to make appealing Home Economics classes to the mass of students enrolled, to help students acquire information related not only to the home, but to business and to learn the principles of both. For students desiring special instruction in this area, there were clothing and food specialty programs at Southwestern High, and a Child Care program taught at both Kennedy Elementary and Northwestern High.

The Home Ec. Department chairperson this year was Mrs. Anita Hultey. She and Mrs. Denise Moss worked together in helping students gain knowledge and information that would guide them in the future.

Throughout its 50-year history the Viking journey was aided in its success by teachers and courses with such benefit and expertise in the area.

The Viking journey is a challenging and exciting one. Teachers and students alike are working hard to make it a success.

1. Student look completely baffled as Mr. Dunham asks for volunteers to come up and write a math problem on the board.

2. When Mr. Dunham asks Mary Pines and V. L. Skutt all students of Advanced Education in the math specialty program keep themselves tuned in to what the teacher is explaining.

Math students enjoy a few leisure moments of leisure time before the daily math lecture takes place.

Specialty Math Looking Great At NHS

The 1977-78 Math Department sought to increase students' abilities in areas of math ranging from the basic fundamentals to the highest specialty program-Calculus.

Students enrolled in math were taught by either of the 8 teachers in the department. These students were urged by these outstanding teachers to practice good study habits to prompt their fullest learning capabilities.

Math specialty was taught at Northern, too. It entailed such classes as algebra 2, trigonometry, advanced functions, analytic geometry and calculus and calculus I & II. These specialties were composed of students hailing from Northern and the other 3 Flint Public High Schools.

The department chairperson for the 1977-78 school year was Mr. Frank Miller. He has been a teacher at Northern for 2 years. He has been department chairperson for two years.

The Math specialty program was an invitation to non-Vikings for a visit aboard the Viking ship.

1. Mr. William Duncan carefully goes over any math problems so that his Advanced Functions students will understand the assignment.

2. Allison Garrett and fellow classmates look skeptical about the work being explained on the board.

Vikings Show Belief In Music

The Music Department at Flint Northern High was a proven success. They began the 1944-45 school year with 3 goals in view: 1) to achieve their eleventh consecutive "A" rating at the annual competition for bands; 2) to have the most proficient marching band in the city; and 3) to start a high school jazz band.

The Marching Vikings entered several competitions in the state of Michigan, returning home with 2 first places and 1 second place rating. They also sponsored a concert at HHS with the prominent jazz musician Margaret Bergman.

Classes in the specialty program for music were taught at Flint Central High School. They were composed mostly of the technical academic areas of music.

Mr. Helmut Petrich was the department chairman for music this year. He has been so for 14 of the 19 years that he has been vocal music instructor at Northern. Mr. Donald Sharp, instrumental instructor, worked hard to keep the students in tune with the no. 1 Viking band. Northern celebrated its 40 year voyage.

The school principal, Mr. [Name], was very proud to have these students in the school.

Co-Ed Classes Proves Interesting

All Physical Education classes at Northern were coed in the 1977-78 school year. This was the goal of the department at the beginning of the year.

But how did the students feel about combining male and female gym classes. One female replied, "It's more of a challenge with the boys in there." She also felt that they had higher goals and did more activities. Some students didn't like the idea of mixed classes.

The P.E. Department was headed by Mr. William Adams. He was a Northern graduate who came back as a teacher in 1951. He has been department chairperson since he returned 27 years ago. Along with Mr. Adams, one more of the 6 members, Mr. Dennis Gerace was a Viking graduate. They were both helping the Northern Vikings celebrate their 50th anniversary.

The challenge of being a no. 1 student is not all work. Physical Education has through the years provided a period for relaxation and pleasurable activities.

1. Young men in class take a break from regular activities to play some basket ball.
2. Both teams are concentrating on the ball as students enjoy a game of volleyball.

Science Plays An Important Role In School

The Science Department was really involved this year. They started the year purposing to do as good a job as possible in teaching science and good study habits to all students involved in the science curriculum.

The specialty program involved in the Science Department was taught at Northern. This included classes in chemistry, physics and life science.

Several students were involved in the annual Science Fair projects and independent study research. Some students also visited the science museum in Chicago.

One science teacher, Mr. Donald Collins, was mentioned in an article in the US News & World Report magazine. He was explaining the use of computers in physics.

Mr. Harold Cochran was the department's chairman. He has been on the Viking staff for 23 years, and chairperson for the past 19 years.

One science teacher Mr. Gordon Brown, is a member of the Viking Alumni, celebrating its 50th anniversary.

Many of the Science Department's special programs take advantage of Northern's extensive science specialty program. Students from other schools attend Northern because of their interest in this subject. They get involved with solo learning in science.

Social Studies A Sound Foundation

Social Studies 1977-78 was purposed to provide a sound foundation in the social sciences for students attending Northern. The teachers also sought new ways to improve the offers of classes as well as basic curricular revision.

Those students interested in furthering their degree of knowledge in Social Studies were urged to attend the specialty programs taught at Hunt Central or Advanced Psychology at Hunt Northwestern.

Mr. Brian Veronhuis, a 1962 graduate of Northern, returned to teach in 1968 and has been chairman for the past 3 years. Of the thirteen teachers in the section Social Studies Department, Mr. Veronhuis and Mr. Bill Vivorello, a 1968 Viking graduate, were the only members of Northern's 50-year Alumni.

Throughout the 50-year voyage of the Viking ship, history and social studies have served to aid students in learning about the past and from the gaining of knowledge of the past to make strong and wise decisions relevant to the present day social concerns.

1. Good study habits are important as these students concentrate hard on their assignments.

2. Students use their spare time wisely as they finish their assignments.

All of the administrators at Northern had one job goal to obtain. This is to effectively master the planning, directing and assisting in the execution of the instructional program at N.H.S. There were a total of five administrators during the 1977-78 school year. Each one of them carried a heavy load in his or her particular area of concern to do, and their combined efforts helped pull it off at Northern High School through another year.

First of all, there was the captain of the ship, Mr. Marvin Pryor, the principal. His job included teaching in planning the program and directing of all personnel.

The deputy principal was Mr. Kenneth Wilson. Mr. Wilson was assistant to the principal in planning the plans for the schedule of classes and teaching assignments.

The other administrators were Mrs. Bessie Strahan, assistant principal for instruction, Mr. Robert Ehmege, assistant principal for community, Mr. Dick Willey, assistant principal for students, Mr. Robert Ehmege, staff specialist and Mr. Thomas Pintacuro, community relations.

Faculty Busy Assisting Many Students

The staff at Northern this year had 7 administrators, 78 classroom teachers, 8 clerical workers, 2 special instructors, custodians, a nurse, a police counselor, an attendance director, and athletic director.

The entire staff was dedicated to seeing that everything that could be, was being done to assure that every student who graduates from N.H.S. would not just have a diploma, but a good sound education.

Northern High prides itself in having by far the best teaching staff in the city of Hunt. Staff members and the Viking administrators have worked for many years developing it.

The other members of the staff were considered to be very valuable persons.

The new additions to the teaching staff this year were Mr. Francis Bentley, Mr. George Dedrick, Mr. Jon Fouts, Mr. Robert Shaw, Mr. Scottie Tardy and Mr. Theda Wilson.

The faculty members throughout the 30-year Viking voyage have been successful in releasing from Northern thousands of students who went on to be a success themselves.

Looking Back At Prime Memories

The Flint Northern High School Alumni are 50 classes strong. Through the years there have been many changes, but its members stand today.

Mr. Brian Venhuta, a 1962 graduate, who is now a Social Studies teacher at N.H.S. noted that the changes were "Significantly different, students then were more concerned about school and learning."

Many families make Viking Alumni a tradition. Senior Joann Kerner is the daughter of a Viking grad, Mr. and Mrs. James (Leah's Father) Kerner. Senior Sheri Bryant is the daughter of Mr. Herman Bryant, a 1955 graduate, and sister to Sue Bryant, a 1978 senior, was the 5th member of her family to graduate from N.H.S. Molly Heimforth, senior, represented the 3rd generation of her family to graduate from N.H.S. Her father Edward Heimforth, graduated in 1930, and her grandfather, Raymond Johnson (Erickson) in 1928.

As the Viking legacy continues, each year the alumni will continue to expand but the times had at Northern are unforgettable.

It was the time of the Viking era. It was Northern and that is the way it was. And that is the way it is. Many memories for Northern Viking alumni. It was the time of the Viking era. It was Northern and that is the way it was. And that is the way it is. Many memories for Northern Viking alumni.
